

Goodfellow Donor Privacy Policy

We understand that confidentiality is critically important to our donors, and we are strongly committed to protecting their privacy.

You can be assured that we will hold your personal contact and financial account information in the strictest confidence.

We will not sell, share, lease or otherwise disclose your personal information to another organization or third-party without your consent or except as specifically required by law or court order.

We believe that it is important to periodically keep our donors and members informed about our operations, goals and accomplishments. We therefore may sometimes include the identity of our donors in a publication (but not the amount of their donation without their written permission). Please let us know if you wish to be removed from our mailing or e-newsletter list(s) or if you do not consent to being publicly identified. We of course would never disclose your personal contact or financial account information.

Thank you for your generosity and support for our goal of ensuring that there is No Kiddie Without A Christmas and that no Detroit-area child is forgotten at any time throughout the year.

We are always interested in your input about how we can better serve our donors and Detroit's children. Please do not hesitate to contact us by calling 586-775-6139 or by email at sarigoodfellows@gmail.com.
