

OLD NEWSBOYS' GOODFELLOW FUND OF DETROIT DOLL PROGRAM CRITERIA FOR DOLL DRESSING PROGRAM 2018 – Dolls will be distributed in April

Thank you for agreeing to dress a doll! You may dress your doll in any way you wish. Here are some suggestions for themed dolls that have proven popular with little girls in the past:

Some Handy Tips for Creating the "Best Dressed" Doll

- Dress in the proper size dress, so that the clothing will come off and on with ease
- Make sure the dolls are free of straight and/or safety pins, wires, or hairpins
- Dress dolls in clean clothes, use only clean materials when sewing clothes
- Make sure outfits are completely sewn, leave no raw edges or hems
- Do not glue or staple material together
- Do not use hairspray or glitter on hair, clothing or shoes
- Make sure outfits are easy to undress, using snaps, hooks & eyes, Velcro or buttons
- Design for safety – when attaching earrings, purses, etc. use thread instead of pins or wires. Use only non-toxic liquid or materials on the dolls
- Please do not put money in a purse or attach money to the dolls
- Remember you are dressing a doll for a girl age 4 - 9, make sure these dolls are age-appropriate
